

GETTING ASSESSMENT & GRADING RIGHT: CLASSROOM AND LEADERSHIP ESSENTIALS

Did you know that many common assessment and grading practices may be demotivating to students and even thwart their ability to successfully complete courses and pass state assessments? Negative experiences with assessments and grades profoundly affect students, and educators at all levels have the capacity to do something about it right now. Join assessment and grading experts Dr. Thomas Guskey and Dr. Laura Link for an institute specifically designed to help solve enduring problems with classroom assessments and grading. The academic success and well-being of our students are worth it!
